Internal SMS Privacy Policy

Last Updated: April 9, 2026

This Privacy Policy describes how **Roan Solutions, Inc.** handles data for **internal employee SMS messaging** sent via Microsoft Teams.

Scope

This policy applies **only to internal SMS communications with employees** of Roan Solutions. No customer or external third-party messaging is supported under this service.

Information Collected

For internal SMS messaging, we may process:

- Employee mobile phone number
 - Message content sent or received
 - Message timestamps
 - Delivery status
 - Security metadata related to authentication events (e.g., MFA)
-

Data Use and Sharing

Mobile opt-in information will not be shared with third parties for marketing purposes.

SMS data is used solely to support:

- Internal business communications
- Operational coordination
- Security and authentication processes

SMS data is not sold or shared for advertising or promotional use.

Opt-Out

Employees may opt out of non-security SMS messages by replying:

STOP

Disabling SMS-based security messages may limit access to certain internal systems.

Data Retention and Security

SMS data is retained only as long as necessary to support business, security, and compliance requirements and is protected using appropriate administrative and technical safeguards.

Updates to This Policy

This Internal SMS Privacy Policy may be updated periodically. Continued use of internal SMS services indicates acceptance of the updated policy.
