

Roan Solutions – Microsoft Teams SMS Privacy Policy

Last Updated: April 7, 2026

Roan Solutions ("we," "us," or "our") uses SMS messaging through **Microsoft Teams** to support secure business communication and account security. This Privacy Policy explains how we collect, use, protect, and manage information related to SMS messages sent to or received from **employees and customers**.

How We Use SMS Messaging

We use SMS messaging exclusively for legitimate business purposes, including:

- Client and customer communication
- Internal employee communication
- Operational and service-related notifications
- Security alerts and account notifications
- Multi-Factor Authentication (MFA) and one-time passcodes (OTP)

Disclosure

Mobile opt-in information, SMS message content, and consent records will not be shared, sold, rented, or disclosed to third parties for any purpose, including marketing, advertising, or promotional activities.

Roan Solutions uses SMS data solely to deliver and respond to text messages and to support account security and authentication. SMS opt-in data and consent are used only by Roan Solutions and are not shared with external parties.

Information We Collect

When you participate in SMS communications, we may collect:

- Mobile phone number
- SMS message content (sent and received)
- Date and time of messages

- Message delivery status
- Security or authentication metadata related to MFA

We only collect information necessary to provide SMS communication and security services.

How Consumer Data Is Used

SMS data is used solely to:

- Enable two-way business communication
- Provide customer or employee support
- Deliver service and security notifications
- Facilitate identity verification and MFA
- Meet audit, security, and compliance requirements

Mobile opt-in information will not be shared with third parties.

Roan Solutions uses SMS data solely to deliver and respond to text messages and to support account security and authentication. SMS opt-in data and consent are used only by Roan Solutions and are not shared with external parties.

Message Types You May Receive

By opting in, you may receive SMS messages related to:

- Client or service communications
 - Internal work-related messages
 - Account notifications
 - Security and authentication messages
-

Message Frequency

Message frequency varies based on communication needs and security events.

Message and Data Rates

Msg & data rates may apply depending on your mobile carrier and service plan.

Consent and Opt-In

By providing your mobile phone number or enabling security features such as MFA, you consent to receive SMS messages from Roan Solutions through Microsoft Teams for the purposes described in this policy.

Opt-Out Instructions

You may opt out of receiving SMS messages at any time by replying **STOP** to any message.

After sending STOP:

- You will no longer receive SMS messages from that specific conversation or sender
- You may receive a final confirmation message acknowledging your opt-out

Opting out of SMS-based MFA may limit access to certain systems or services.

Support and Contact Information

- Reply **HELP** to any message
 - Email: **support@roansolutions.com**
 - MFA Support: **servicedesk@roansolutions.com**
 - Phone: **617-517-6444**
-

Data Security and Retention

SMS data is protected using industry-standard safeguards and retained only as long as required for business, legal, or security purposes before being securely deleted.

Privacy and Data Use

We respect your privacy. Information collected through the SMS Text Messaging Service is used only to deliver and respond to SMS communications and to support account security.

Mobile opt-in information, SMS content, and consent records will not be shared with third parties for any purpose, including marketing or promotional activities.

Roan Solutions does not sell, rent, or disclose SMS opt-in data or consent information to any third parties.

Policy Updates

We may update this policy periodically. Continued participation in SMS communications constitutes acceptance of the updated policy.
